Hello Mr. Stuart,

I'll try to call you later today.

Rooting for you against Facebook,

Jonathan

Dear Mr. Torjesen and Mr. Stuart,

I have been watching your case against Facebook from the sidelines. I thought you might want to see the Zynga opinion put out in the Oakland Division in Northern District of California last November. I think it supports your position on the CDA arguments and might be useful in your reply to Facebook's supplemental response recently filed.

Regards,

Jonathan Jaffe
